

HEALTHCARE SERVICES

Healthcare Services

Marcum LLP's experience within the healthcare industry includes working with acute care hospitals, long-term care facilities, hospices and home healthcare providers, management service organizations, continuing care retirement communities and medical practices. We deliver all of the industry expertise and in-depth skills that you would expect but with the strongest commitment to client service and an economical fee structure.

We come equipped with decades of experience in providing audit services to these and other healthcare organizations, performing risk assessments, responding with appropriate strategies and sharing best practices.

To best serve our clients, we have assembled a strong healthcare team and developed a large pool of resources. We are proficient in the healthcare reimbursement practices for these organizations. As a result of our corporate compliance consulting projects, Marcum has significant experience with the regulatory requirements of the Center for Medicare and Medicaid Services and the Department of Health and Human Services.
